

FALL 2023

Wednesdays from 6:30-7:30pm

All classes start on **August 2nd** and conclude on **November 15th**. Classes will NOT meet on **August 30th** and **October 4th**.

- **1689 CONFESSIONAL - KEVIN MCNERNEY & GREG MCRAY**
 - In depth study of historical views on doctrines that helped shape the baptist church of today.
- **DISCIPLESHIP 1 - FOUNDATIONS - AARON SHEALY**
 - An introduction to theology class that dives into the foundations of our faith and what it means to be a follower of Jesus.
- **EVANGELISM - RUSS BELCHER**
 - The purpose of this course is to study the nature and practice of personal evangelism with emphasis upon the biblical, theological, historical, and practical applications within the context of the local church.
- **HERMENEUTICS 2 - HOW TO STUDY THE BIBLE - KEITH JACKSON & WADE ORBKE**
 - Dive deeper into practical approaches for how to interpret and study the different genres of Scripture.
- **REDEEMING SINGLENES - CLINT WEAIVL**
 - An in-depth examination of the redemptive history from which biblical singleness emerges. Though marriage is highly esteemed throughout Scripture, the Bible also affirms singleness as an important calling for some Christians.
- **SYSTEMATIC THEOLOGY 1 - MORGAN CATES & THOMAS BUEHLER**
 - Introduction to the foundations of systematic theology while giving comprehensive understanding of the doctrines of Scripture, man, and salvation.
- **THE BOOK OF ROMANS - CHRISTIAN TOWNSON & OTHERS**
 - An in-depth study that will go through the book of Romans focusing on hermeneutics, theology, and application.
- **TJC MEN - IT'S GOOD TO BE A MAN - SHAWN CASTO**
 - Learn what it means that God made men for dominion and how to start taking your place in faith, serving, and fighting for God's kingdom.
